

Excelsa Health WORKS After Hours Injury Care

Care managed by Nurse Practitioners

- Monday through Friday:
4:30 p.m. to 7:30 a.m.
- Increases access to care
from workplace
- Avoid costly emergency visits
- Avoid exposures to sick
contacts in facilities
- Completion of first report
of injury
- Self-care vs. OSHA recordable claims
- Timely reporting, facilitate claim closure
- Employer knows about injury quickly
- Improved continuity of care and follow up
- Employer/carrier cost reduction
- ***Pay only by the call! (\$160)***

Call to set up After Hours Protocol for Care.
